IBEW Local 2067 is Preparing a Positive Message to be Advertised on CTV

It has become apparent the much of the public is not aware of the things we do as a Local, through our Employers and in our lives away from work.

We are asking you to please submit any photos, whether they are group photos or not, and any names of our Members who are volunteering coaching, assisting in different organizations (4-H, Scouts, Guides, Big Sisters/Brothers, Church Groups, Shelter Programs, Fire Fighters, SWF, First Responders, etc.) reeves, councilors, mayors, school board trustees and anything else I failed to mention.

If you have group photos of your crew either posing or in an action shot or all the Members working at your facility please forward it to the Business Office.

CTV will look at all the pictures to determine what will be used the first time. CTV will also look at shooting some video footage of our Members working at various SaskPower locations in the near future.

Any help you can provide in this matter would be greatly appreciated.

Regards,

Neil Collins
Business Manager & Financial Secretary
