## Market Supplement Update

The Market Supplement Committee has worked diligently over the last month matching up job summaries and job classifications. This is now complete.

Both IBEW members and SaskPower members of the committee are happy with the work that was completed but it has proven difficult given SaskPower's unique structure to find matches for all classifications.

Brother Neil Collins will be meeting with Wayne Sakires, SaskPower Manager of Employee Relations, as quickly as possible to reach a conclusion on this issue.

We are striving to have the market supplement concluded in December.

We thank Brothers Trevor Ruda and Alan Murray for their dedication & hard work in moving this bargaining item forward.

More info will be forthcoming as the meetings go forward.
